

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re Application of: Jorgensen et al. Confirmation No: 6943

Serial No.: 10/538,710 Group Art Unit: 1794

Filed: June 10, 2005 Examiner: H. Badr

For: Method for Selecting Lypolitic Enzyme

REQUEST FOR CORRECTED FILING RECEIPT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This application was filed on June 10, 2005 as a national phase application of PCT/DK2003/000850. As indicated in the Transmittal Letter to the United States Designated/Elected Office, Jesper Vind is the fourth-named inventor of this application. As also indicated in the Transmittal Letter, this application claims priority or the benefit of Danish Application No. PA 2002 01903 filed on December 12, 2002 and U.S. Provisional Application No. 60/433,218 filed on December 13, 2002.

The filing receipt mailed November 25, 2005 contains the following errors:

1. In the Applicant section, the fourth-named inventor Jesper Vind is omitted; and
2. In the domestic priority data, the U.S. provisional application is omitted.

Applicants therefore request the issuance of a corrected filing receipt with complete Applicant information and Domestic Priority data information.

Applicants submit that the error was the fault of the USPTO and therefore no fee is due. Should any fees be due, please charge deposit account no. 50-1701 of Novozymes North America Inc.

Respectfully submitted,

Date: November 7, 2008
